

Chocowinity, NC - Family Medicine physician opportunity to join a busy and growing practice in eastern North Carolina.

The practice offers primary care services to approximately 6,000 patients in the Beaufort County region. Our services include, but are not limited to physical exams, well- child visits, acute and chronic care, and preventative care. Supporting specialists within the health system include ob/gyn, general surgery, orthopedic surgery, oncology, psychiatry, gastroenterology, rheumatology, and urology.

Physicians admit to Beaufort County Medical Center, a 142- bed regional hospital, which is a division of Beaufort Regional Health System. The Health System is a network of progressive health care facilities, combined with personal hometown attention to detail, providing care for the entire family. Our network offers a level of care that is not always available outside major metropolitan areas from advanced surgical procedures to state-of-the-art diagnostic testing. We have recently completed a major expansion and renovation of our hospital by adding a new surgical suite, outpatient surgery suite, as well as a new visitor's lobby and admissions area.

In addition to the physician staff of two, the practice is currently staffed with one full-time nurse practitioner. The call requirements are phone call only and the rotation is 1:4 shared with two other family practice offices. Beaufort County Medical Center has a full-time, 24/7 Hospitalist program for inpatient care. The physicians see approximately 22+ patients per day from 8:30-5:00, four and a half days per week. We are not eligible for J-1 Visa sponsorship.

The ideal candidate will be BC/BE MD with BC obtained within five years of qualifying for examination or within the time frame defined by the specialty board (whichever is shorter).

Opportunity offers a competitive salary and benefits which include, but are not limited to incentive compensation, fully paid family health and dental insurance, paid malpractice, reasonable relocation expenses, and CME allowance and much more.

The practice is located in Chocowinity, North Carolina a beautiful waterfront community along the eastern North Carolina coast on the Pamlico River. Chocowinity and neighboring Washington offer the charm of small-town life while providing many of the advantages of a larger city.
