OBGYN of Washington Welcomes Andrew Clark, MD
Practice Accepting New Patients

(Washington, N.C.) – Dr. Rachel McCarter, Dr. Thomas Andrews and the staff of OBGYN of Washington are pleased to announce the addition of Dr. Andrew Clark to their practice.

Dr. Clark graduated from Virginia Commonwealth University in 1996 with a BS in Biological Sciences. He attended the Medical College of Georgia where he completed his medical degree as well as a PhD in Reproductive Endocrinology. Dr. Clark completed his residency program in obstetrics and gynecology at the Greenville Memorial Hospital System in Greenville, SC.

Dr. Clark is certified in newborn resuscitation, advanced cardiac life support and the fundamentals of laparoscopic surgery. He has been a contributor to a multitude of presentations, abstracts and publications through his studies and volunteered with the American Red Cross, Boy Scouts, Forest View Rescue Squad and the MCG Children's Medical Center. Dr. Clark is married to Sara Clark who is a third year pediatric resident. They have two children.

Obstetrics and Gynecology of Washington specializes in women's health services for adolescents and adults using the latest techniques and procedures in their specialty. Obstetrical care is provided to women with and without medical complications. Mothers will deliver at Beaufort County Medical Center, which provides one on one nursing care in labor. All physicians are board certified or board eligible by the American Board of Obstetrics and Gynecology.

Office hours are Monday through Thursday 8:30am to 5:00pm and Fridays 8:30am to 12:00pm by appointment. OB/GYN of Washington is located at 1210 Brown Street and is currently accepting new patients. The practice can be reached by calling 975-1188.
